

G.A.I.C.

May 16, 2007

Attendees: *James Lampher, Larry Anderson, Dennis Meyer, Michelle Zuhlke, Brian Pillard, Maura Kelly-Tolzin, Jim Langtry, Shannon Ideus, and Doug Thomas*

Approval Of Minutes

The minutes from the March meeting were approved with no changes.

Statistics

Mainframe

The Multiprise Web hits are back within our averaged monthly range, to a total in April of 435,752 hits. There were a couple of prior months that the total was high due to a robot hitting the County Attorney site repeatedly, which has now been blocked.

IMS/Images

The IMS/Image Server hits, totaled 765,390 for the month of April.

CJIS

CJIS site hits were down about 6,000 from the prior month, to a total of 1,161,595. Accident Reports totaled 30,548 and there were 3,478 on line Criminal History check requests.

Contractor Hits

The total Contractor hits for April decreased by nearly 5,000 hits to a monthly total of 17,633.

Web Trends (NT Stats)

Total NT Server hits were up just a little to a total of 9,899,685 hits in the month of April. Parks and Recreation increased more than 20,000 hits from the prior month, probably due to the Swimming Pool Pass sales. The Election Commission had an increase of 80.12% in hits to a total of 38,806 due to the elections on May 1st. The Sheriff's Office increased by more than 25% to a total of 90,930 hits for April. The County Commissioner's reduced their total hits by nearly 50% which was most likely due to the racetrack issue no longer being in the lime light. The twelve surrounding townships had total hits of 22,682 in April, with Hallam increasing by 44.86% and Malcolm decreasing by 27.54%.

User Sessions

Total User Sessions in April were 481,499, with a daily average of 16,049.

ePayments

Individual Verisign Activity

Transaction count total graphs have now been added to each individual Verisign Activity sheet. Revenue continues to climb with April collections totaling \$131,557.85 from 3,072 non-tax transactions. In the month of April, Animal Control had 84 license renewals totaling \$1,872. There were 688 parking tickets paid on line last month, totaling \$12,750. Criminal History reports had 514 requests for a total of \$5,140 in collections. There have been 248 swimming pool passes sold since the first of 2007, totaling \$35,636. The month of April alone had 126 passes sold for \$17,839. The sale of passes should continue with summer approaching. Event Parking had 519 transactions with total collections of \$19,731, which is probably due to the fact that it is now located on the home page, and football season nearing. Water/Sewer collections totaled \$74,225.85 from 1,141 on line payments.

Epos Activity - County Property Taxes

County Property taxes totaled \$407,612.13 from 222 transactions.

Verisign Summary Activity

Total Verisign collections in April for the City were \$131,557.85, and the County's collections totaled \$407,612.13, with a combined total of \$539,169.98 from 3,294 paid transactions.

Applications

Computerworld Honors Program Medal

Terry Lowe will be attending the Honors Program Presentation in Washington DC on 06/04/07, to receive the medal for our wireless initiatives. The original entry was submitted by Palm under the Government/Non-Profit category.

County Treasurer

The County Treasurer's upgrade is under contract, and we are now working with the vendor to acquire two servers.

Register of Deeds/County Assessor

At this time, it is unknown as to whether or not extended history will be added to the images.
